ENTER THE

LEGO® BATMAN Building Challenge!

BrickMaster

LEGO BATMAN™

Are you ready to help Batman™ fight for justice in Gotham City™? Here's your chance to show you've got what it takes! Build anything from the Batman universe – a character, a vehicle, a piece of Batman's equipment, a location – and you could win a LEGO set of your choice worth up to $100!

Open to LEGO BrickMasters only.

TO ENTER:

1. Build a model of something from the Batman universe (a character, a vehicle, a piece of Batman's equipment, a location) using pieces from your LEGO collection.
2. Take a color photograph of your model (make sure it's in focus!). Only color photos and photo-quality print-outs will be accepted – no Polaroids, please.
3. Include the name of your creation along with your own name, age, mailing address and telephone number.
4. Mail your photograph (don't fold it!) and information to:

LEGO Batman Building Challenge
P.O. Box 1625
Enfield, CT 06083-1625

All entries must be received by July 1st, 2006.

Check out the latest Batman action at **www.LEGO.com/batman**

NO PURCHASE NECESSARY. One (1) entry per person. All entries must be received by midnight July 1st, 2006. Offer void where prohibited or restricted by law. Models must be constructed using only pieces from your LEGO® collection. Employees of LEGO Systems, Inc ("Sponsor") and its affiliates and subsidiaries, advertising/promotions agencies and their immediate families are not eligible to participate. Entries will be judged based on originality (50%) and creativity (50%). Five (5) winners will be selected from all eligible entries. Estimated total retail value of each prize: $100.00. Sponsor reserves the right to substitute prizes of equal or greater value. The LEGO Company and its affiliates and subsidiaries are not responsible for late, lost, misdirected, mutilated or damaged entries. All entries become the property of Sponsor and will not be returned. By participating in this contest, entrants agree to be bound by the official rules and decisions of the judges. Winning entries will be shown in the September issue of LEGO Magazine BrickMaster Edition.

Much of the air combat vehicle called the "Sonic Phantom" remains a mystery. While the other battle machines of the robot forces [*see Intel Reports: FIRE VULTURE 6.09.412.760\a, THUNDER FURY 6.09.412.761\a*] are clearly adapted from human-designed mining technology in use prior to the robot rebellion, the Sonic Phantom is entirely new to us. As a result, the EXO-FORCE team has had difficulty adapting its strategy to this new danger, and our victories have often involved as much luck as skill.

With its powerful engines, the Sonic Phantom is one of the fastest things in the air, and its heavy armor plating makes it very difficult to damage, let alone destroy. Our one solace is that it must take considerable effort and resources for the robots to construct these units, as very few are known to exist. If the enemy were ever able to assemble an entire fleet of Sonic Phantoms, it is unlikely that SENTAI FORTRESS could withstand their assault.

TECHNICAL SPECIFICATIONS >>>>>>>>>>>>>>>>>>>>>>

- **Engine Thrust Class:** 105,000 lbs.
- **Level Speed:** 2700 mph
- **Total Length:** 62 ft.
- **Wingspan:** 35 ft.
- **Ceiling:** 50,000 ft.
- **G Limit:** +10 G
- **Crew:** 1 Devastator robot
- **Engines:** 4 nuclear engines

SURVEILLANCE .C
THREAT LEVEL

PROTODAX

Protodax is one of the many guardians of the Mask of Life. The mask used its incredible powers to enlarge a microscopic protodite to full-size, unleashing a savage creature on the world. Protodax serves the mask now and will attack and destroy anyone who tries to steal the Kanohi. Its zamor launcher (salvaged from a fallen victim) fires a sphere that permanently shrinks its enemy to microscopic size – plunging him into a universe filled with vicious protodites!

BIONICLE

Build Protodax using pieces from #8901 Hakann, #8904 Avak and #8903 Zaktan

THE DARK HUNTER FILES

The winners of 2005's BIONICLE Dark Hunter Building Challenge will be seen in this spring's Dark Hunters Guide from Scholastic – but one Dark Hunter was so secretive, we couldn't track him down for the book! So here is a special look at one of the best Dark Hunter models we received from a BIONICLE fan:

SILENCE

The Dark Hunter named "Silence" was a gift from Roodaka prior to the war with the Brotherhood of Makuta. What he was before and where she found him, no one knows, but it is certain that her Rhotuka mutation spinner was responsible for his appearance.

"Silence" is no common thief or enforcer. He is a highly talented operative whose job is the abduction of Toa, Turaga or Brotherhood of Makuta members who may pose a threat to the plans of the Dark Hunters. He moves like a shadow, slipping in and out of the most heavily guarded fortresses and emerging with his prey. Even when he is on the Dark Hunter's Island, no one is ever quite certain just where he might be lurking.

POWERS:

"Silence" naturally creates a field around himself that deadens all sound, allowing him to move in absolute quiet. The field extends out a good three feet from his body, making it possibly for him to grab a target and pull him inside of it so that no screams will be heard. He carries a double-edged blade mounted on his forearm, wears heavy armor and relies on a Kanoka launcher equipped with freeze disks.

Designed by David Daut

Secret of the Mistlands Tower!

LEGO KNIGHTS KINGDOM
DEFEND THE TOWER SAVE THE KINGDOM

A golden age has dawned in the Kingdom of Morcia! Under the rule of good King Jayko, a new generation of young heroes has risen to join the noble Knights of Morcia. But Lord Vladek has returned with an army of cruel and vicious Rogue Knights at his side. It's up to King Jayko and his newest knights, Sir Kentis and Sir Adric, to stop Vladek and his evil warriors from taking over the kingdom! ■

The magical Book of Morcia has a secret message for King Jayko. Use the key to the right to decode the message and prove your knightly wisdom!

LEGO KNIGHTS' KINGDOM

DEFEND THE TOWER SAVE THE KINGDOM

THE KINGDOM OF MORCIA.

BrickMaster

SEVERAL YEARS HAVE PASSED SINCE THE FALL OF THE DARK FORTRESS AND THE DISAPPEARANCE OF THE EVIL LORD VLADEK.

THE REIGN OF KING JAYKO THE SWIFT HAS BEEN PEACEFUL AND JUST, FREE OF WAR OR CONFLICT...

...AND, FOR THE YOUNG KING, UNFORTUNATELY FREE OF ADVENTURE!

IT'S NOT A BAD LIFE, BEING KING...BUT WHAT I'D GIVE FOR A CHANCE TO LEAVE THIS DUSTY OLD CASTLE FOR A WHILE.

DID FIRST KNIGHT ORLAN FEEL LIKE THIS, TOO? IS THAT WHY HE DISAPPEARED HUNDREDS OF YEARS AGO?

ALL WE HAVE LEFT OF HIM NOW ARE THE FRAGMENTS OF HIS SHIELD OF AGES.

HEY, WHAT'S THAT?

THAT'S THE LONG-LOST MISTLANDS TOWER, WHERE THE SHIELD WAS FORGED! THE BOOK OF MORCIA IS SHOWING ME WHERE TO FIND IT. INCREDIBLE! THIS MEANS...

...AN ADVENTURE!

IN THE COURTYARD OF THE CASTLE, MORCIA'S NEWEST KNIGHTS ARE IN TRAINING.
ON MY SIGNAL, KNIGHTS – CHARGE!
You heard him, Sir Adric – let's go!
KRUNCH!
ALREADY ON IT, SIR KENTIS!
SMASH!
OH, THAT WAS GREAT FUN. LET'S DO IT AGAIN!
I'M AFRAID WE DON'T HAVE ANYTHING LEFT TO FIGHT.
WELL DONE, LADS! SO YOU'RE LOOKING FOR ADVENTURE, ARE YOU?
WELL, HAVE I GOT A JOB FOR YOU!
YOUR MAJESTY!
ARE WE IN TROUBLE, SIR?
BUT KING JAYKO IS NOT THE ONLY ONE WHO HAS DISCOVERED THE MISTLANDS TOWER.
SO, THE TOWER HAS BEEN FOUND AT LAST. LEGEND SPEAKS OF A GREAT MAGICAL POWER AT ITS TOP –

A POWER THAT WILL SOON BE MINE!
KARZON, DRACUS – PREPARE YOUR ROGUE KNIGHTS.
AT ONCE, LORD VLADEK.
MY WARRIORS ARE AT YOUR COMMAND...AS LONG AS YOU KEEP PAYING US OUR GOLD.
OH, YOU'LL HAVE RICHES SOON ENOUGH.
WE SET SAIL FOR MORCIA...AND REVENGE!
THE MISTLANDS OF MORCIA. NO ONE HAS TRAVELLED THESE WOODS IN A HUNDRED YEARS OR MORE.
HE MAY BE A LITTLE CRAZY, BUT KING JAYKO SURE KNOWS HOW TO LEAD AN ADVENTURE!
THERE IS AN ANCIENT MAGIC IN THIS FOREST. I SENSE THAT WE ARE NOT THE ONLY ONES HERE...
CLICK
SIR KENTIS DOESN'T KNOW HOW RIGHT HE IS!
WHAT--?
HEY!
YOUR MAJESTY, LOOK OUT!
NOW – ATTACK!

SO YOU'RE THE KNIGHTS OF MORCIA I'VE HEARD SO MUCH ABOUT. YOU DON'T LOOK SO TOUGH TO ME!
EVEN IF THEY WERE, THEY'D BE NO MATCH FOR THE WARLORD AND WEAPONS-MASTER OF THE ROGUE KNIGHTS!
LORD VLADEK!
YOU JUST KEEP GETTING IN MY WAY, JAYKO. KING OR NOT, YOU WON'T STOP US FROM REACHING THE MISTLANDS TOWER!
SHZAAAK
HE'S AFTER THE TOWER TOO! WE HAVE TO GET THERE BEFORE—UNGH!
TAKE THAT!
OH, YOU'RE IN FOR IT NOW, ROGUE KNIGHTS!
IT'S A RACE AGAINST TIME, KNIGHT AGAINST ROGUE KNIGHT!
WHO WILL BE THE FIRST TO THE TOP OF THE MISTLANDS TOWER?
WHAT WILL BE THE FATE OF MORCIA?

LEGO BATMAN™

LARGER THAN LIFE!

Watch out, criminals of Gotham City™ – the Dark Knight™ is ready to strike! This 12-foot high statue of Batman™ was created by the LEGO Master Model Builders. It was already a big hit at the American International Toy Fair in New York City in February, and you can see it in person this July at Comic-Con International in San Diego, CA!

Master Builder Erik Varszegi designed the statue on the computer, going through 4 different poses before deciding on the best look for Batman and his gargoyle base. When the design was perfected, he ran it through a program that converted it into virtual LEGO bricks. Master Builder David Gold then took the computer model and designed a steel armature to go inside the statue and support its weight.

It took 4 model builders about 450 hours and more than 92,000 LEGO bricks to create the statue. At 12 feet high, it towers 369 bricks high! Erik built Batman's signature Batarang by hand, and a local theater group created a lightweight fabric cape at 120% life-size. Two electric fans were installed in the base to blow on the cape and make it billow out behind the Dark Knight!

AHOY!

Pirate Shores Ahead at LEGOLAND California!

Avast there, mateys! Set sail for Pirate Shores this summer, the newest block at LEGOLAND California!

- You and your family can take on fellow "pirates" in the Splash Battle, the only ride of its kind in North America. Sail in four-person pirate ships around twists and turns, past exploding volcanoes and through a giant skull. Each ship is equipped with water cannons so you can defend your treasure!
- Even pirates need a vacation – take one on Treasure Falls, as you ride in a log-shaped watercraft over drops as high as 12 feet! Prepare to get wet, mateys!
- There's plenty of places for pirates to play as well! Young sailors can visit the Swabbies Deck, with pop-up water jets, water fountains and squirt cannons. Or check out the Soak-N-Sail, a shipwrecked pirate vessel complete with giant bucket ready to pour over 300 gallons of water on you!

So don't be a landlubber – hoist your anchor, raise the sails and head for Pirate Shores, opening this summer at LEGOLAND California!

Expected ride opening dates, show times and opening hours are subject to change without notice.

LEGO® LAST LAUGHS

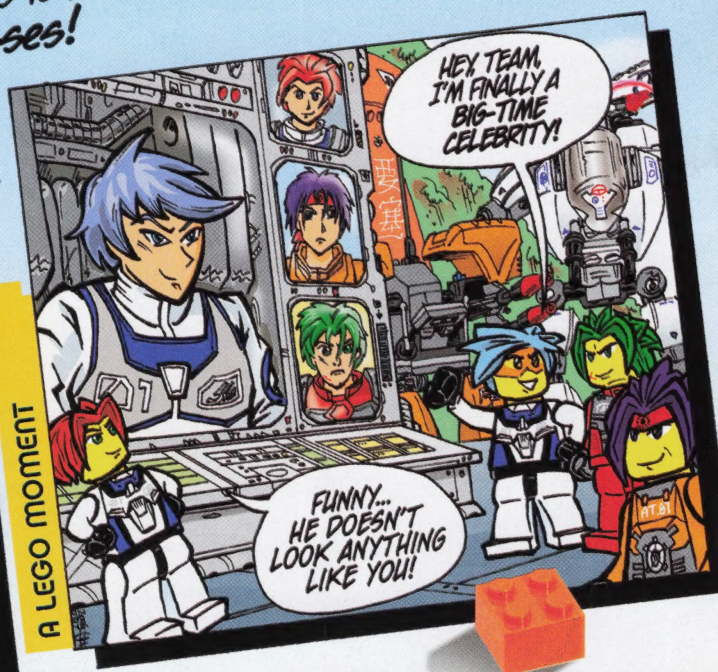

MINIFIG MAX

Some people are shocked that Max has to take of his head to put on his sunglasses!
